

# UpToDate®

## UpToDate® Anywhere in SEHA Hospitals

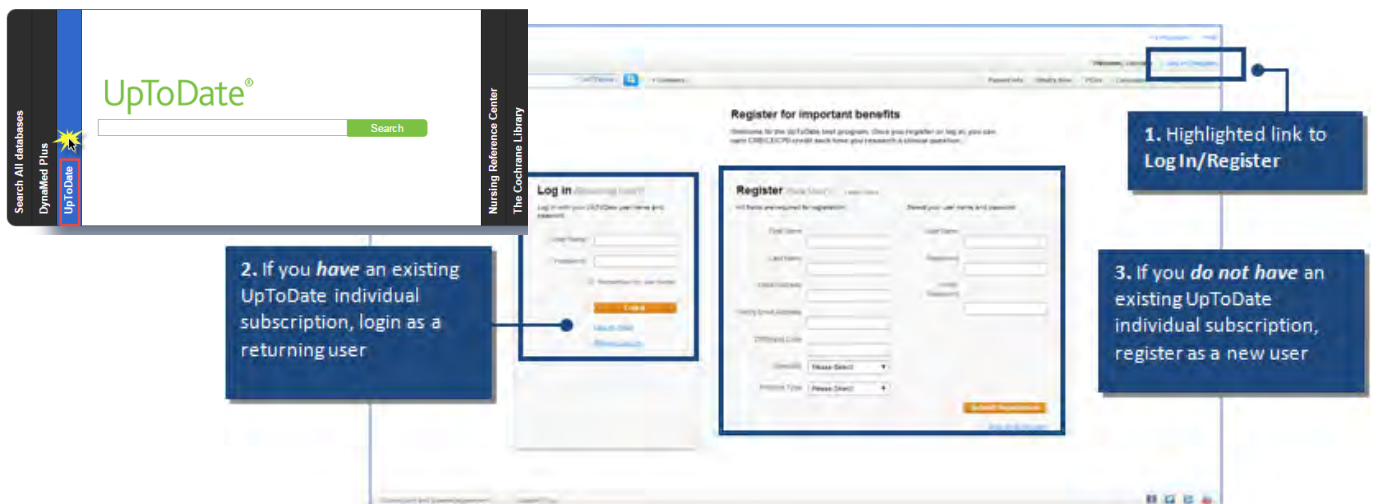

### Getting started:

In order to gain access to UpToDate Anywhere, Create CME Credits, and Download Mobile App, you will need to:

1. Login to SEHA eLibrary by clicking on the Seha elibrary icon on your hospital intranet or go to: <http://elibrary.seha.ae>
2. Click "UpToDate" BAR on the Seha elibrary website.
3. Once access the homepage of UpToDate, click "Login/Register" on the top right corner.
4. If you already have an account with UpToDate, then log in using your existing credentials
5. To create a new account please register as a new user and create your username and password as shown in the pop up box.

SEHA  HOME | JOURNALS | BOOKS | SEHA RESEARCH | ANNOUNCEMENT  
Email: Ms. Tasneem Abul Qasim - Project Lead

The screenshot shows the UpToDate website interface. On the left, a sidebar contains a search bar and a list of databases including 'UpToDate'. A blue box with an arrow points to the 'UpToDate' link in the sidebar, labeled '2. If you *have* an existing UpToDate individual subscription, login as a returning user'. In the top right corner, a blue box with an arrow points to the 'Log In/Out/My Account' link, labeled '1. Highlighted link to Log In/Register'. The main content area features a 'Register for important benefits' section with a 'Register' button. A blue box with an arrow points to this button, labeled '3. If you *do not have* an existing UpToDate individual subscription, register as a new user'. Below the registration form, there is a 'Log in' section with fields for email/username and password, and a 'Log In' button. A blue box with an arrow points to this 'Log In' button, labeled '2. If you *have* an existing UpToDate individual subscription, login as a returning user'.

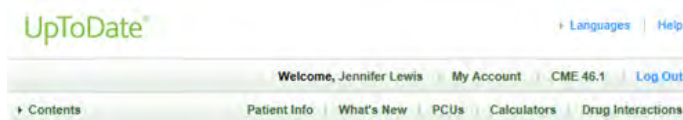

**Important:** You will use your username and password to access UpToDate from mobile apps and the UpToDate website login. If you have any questions regarding access or training on UTDA please contact: [tabulqasim@seha.ae](mailto:tabulqasim@seha.ae)

## Register and earn CME/CPD:

**Remember:** You must register from within SEHA network via the eLibrary in order to gain access to the mobile apps and accrue CME credits. Complete all fields and click "Submit Registration."

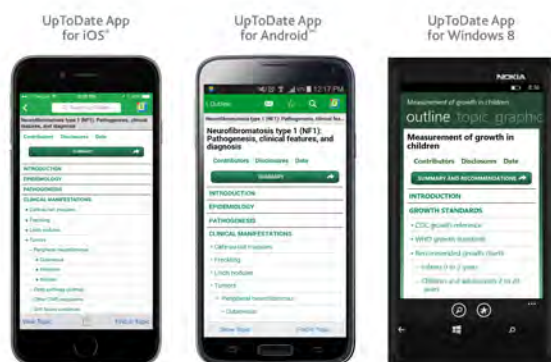

**This is a onetime registration.** Once registered, you will receive an email confirmation from UpToDate.

To ensure you are logged in correctly and earning CME credits, check to make sure the CME tab appears in the navigation bar as shown below.

## UPTODATE® ANYWHERE MOBILE APPS!

You are now able to download any of our mobile apps on up to two devices:

Go to your respective App Store on your device and download the free UpToDate Mobile App. Once it has downloaded, please use the UpToDate username and password you created during the registration process to log in.

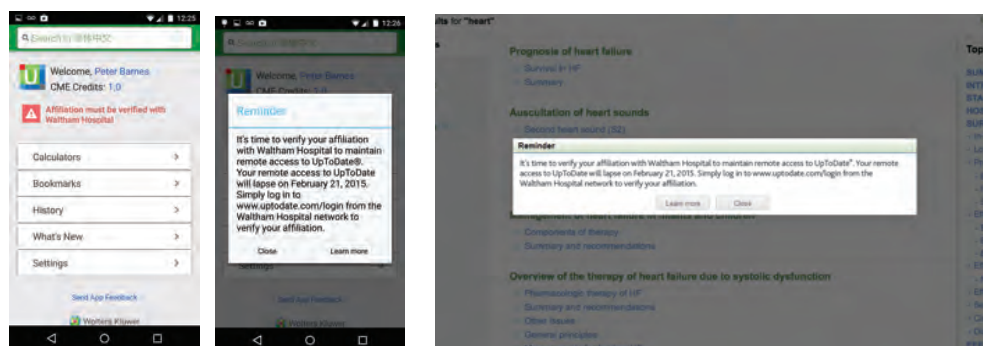

## REMOTE-ACCESS to UpToDate:

In addition to the mobile device, with the credentials that you created during the registration process, you can now access UpToDate from any computer with internet access. Simply go [www.uptodate.com](http://www.uptodate.com) from any web browser and click the "Log In" button located in the top right corner of the website.

## 90 Day Re-Verification Required

You need to verify affiliation with SEHA every 90 days to maintain mobile and remote access and to do so login to UpToDate once every 90 days from your hospital computer / intranet

**Please Note:** In-application & email messaging will inform you of the need to verify affiliation if you have not done so by Day 80, You will receive a second alert at Day 90. To regain access, please complete the re-verification process outlined above.

For more information on how to download the App please go to:

<http://www.uptodate.com/home/uptodate-mobile-access>
